There is a large, open plan kitchen/dining room featuring an electric Aga, a range of units and worktops, breakfast bar, pantry, half panelled walls, ceramic tiled floor, and a doorway to a rear conservatory with a brick plinth and UPVC double glazed windows.

The large utility room has a quarry tiled floor, space and plumbing for washing machine, and space for tumble dryer and fridge-freezer. The charming lounge has a cast iron multi-fuel fire, timber laminate flooring, a casement door to outside, and glazed doors leading to a dual aspect snug/study.

There is also a ground floor bedroom. From the lounge, an open plan staircase leads to the first floor landing which has access to the partially boarded loft (with fitted light). The principal bedroom has a square bay window giving outstanding views, fitted mirrored wardrobes, and an en suite shower room (with shower cubicle, wash basin and WC).

There are 2 further first floor bedrooms and a family bathroom with a modern white suite, an airing cupboard (housing a hot water cylinder with fitted immersion heater supplying the hot water), and a shelved storage cupboard.

At the end of Batchelors Lane, a 5-bar gate and gravel drive lead to Folly Lodge. There is ample off road parking, boat/caravan space, and space, subject to planning consent, to erect a garage. The garden area is expansive and includes a lawn that was formerly a paddock with a small shed, previously a shelter. This area has been returned to grass and thoughtfully designed to include a small, man-made stream that aids with drainage. There is a timber-built out-building, equipped with power and light and often used as an office during the warmer months. Adjacent to this is a greenhouse and a decked area, currently home to a gazebo. A 5-bar gate gives access to a paddock with a field shelter.
